

# List of Technical Award Engineers of the 57th JEMA of 2007

Heavy electric category			
Prize	Title of Paper	Division	Name
Superior Award	Development of "Low-Vibration Fan"	Cooling Systems Division, Design Dept.	Toshiyuki Nakamura
		Cooling Systems Division, Design Dept.	Toshiki Kobayashi
Superior Award	Development of Static transfer switch "SANUPS S11A"	Power Systems Division, 2nd Design Dept.	Tetsuo Suzuki
		Power Systems Division, 2nd Design Dept.	Akihiro Tsukada
Superior Award	Development of SANMOTION F "Small-size 5-phase Driver and Motor with Built-in Micro-step Function"	Servo Systems Division, 2nd Design Dept.	Shigehiro Kamada
		Servo Systems Division, 3rd Design Dept.	Masaaki Oohashi
	Development of SANMOTION R "Servo Amplifier with Built-in CANopen Interface"	Servo Systems Division, 2nd Design Dept.	Masahisa Koyama
	Development of "Counter Rotating Fan"	Servo Systems Division, 2nd Design Dept.	Kouichi Machida
		Cooling Systems Division, Design Dept.	Toshiya Nishizawa
	Development of the Uninterruptible Power System "SANUPS A11H"	Cooling Systems Division, Design Dept.	Naoki Murakami
		Power Systems Division, 2nd Design Dept.	Narumi Yanagisawa
		Power Systems Division, 2nd Design Dept.	Hiroyuki Hanaoka
Manufacturing category			
Prize	Title of Paper	Division	Name
Superior Award	Start Mass Production of SANMOTION R "Small-size Small Capacity AC Servo Motor"	Servo Systems Division, 1st Production Dept.	Yoshinori Kobayashi
		Servo Systems Division, 1st Production Technology Development Dept.	Kazuhiko Takizawa
Superior Award	Reduce Defective Products with "No Production, No Shipping of Defective Products Line system"	Servo Systems Division, 1st Production Technology Development Dept.	Norio Nakamura
		Servo Systems Division, 4th Quality Control Dept.	Kouji Nishizawa
	Manufacturing Technology for Environment Resistant Fan Construction	Cooling Systems Division, Production Dept., Production Technology Section	Nobuyuki Aoki
		Cooling Systems Division, Production Dept., Production Technology Section	Akira Mizusawa
		Cooling Systems Division, Production Dept., Production Technology Section	Michihiro Suzuki
	Internal Die Gate Cut Technology for Fan Mold	Production Technology Section	Ryuuji Kobayashi
		Cooling Systems Division, Production Dept., Production Technology Section	Taijiro Kobayashi
Committee category			
Prize	Title of Paper	Division	Name
Excellence Award	PV Kansai "Activities to Increase Promotion of Photovoltaic Power Systems"	Osaka Branch, 3rd Sales Dept.	Taijiro Kobayashi and others
