

Technical Papers Published Outside the Company

April 2010 to March 2011

Title of Paper	Authors	Name of Journal	Issued	Publisher
Study of AC/DC Power Supply System with DGs using Parallel Processing Method	Yoshiaki Okui, Takuya Ota and Others	INTERNATIONAL POWER ELECTRONICS CONFERENCE- ECCE ASIA (IPEC) The 2010 International Power Electronics Conference	2010.07	IPEC
Power supply system with DGs using parallel processing method in case of power system fault	Yoshiaki Okui and Others	Institute of Electronics, Information and Communication Engineers Technical Committee on Energy Engineering in Electronics and Communications IEICE-EE2010-9, IEICE-110, IEICE-EE-151	2010.07	The Institute of Electronics, Information and Communication Engineers
Study of Starting characteristic of the micro grid	Yoshiaki Okui, Takuya Ota and Others	Tokai-Section Joint Conference of the Institutes of Electrical and Related Engineers Papers	2010.08	The Institute of Electrical Engineers of Japan
A Study on P Control and Q control in Small Power System	Yoshiaki Okui, Takuya Ota and Others	Tokai-Section Joint Conference of the Institutes of Electrical and Related Engineers Papers	2010.08	The Institute of Electrical Engineers of Japan
AC/DC Hybrid Power Supply in Micro Grid	Yoshiaki Okui, Nariaki Kimura, Takuya Ota and Others	Power and Energy Conference of the Institutes of Electrical and Related Engineers Papers	2010.09	The Institute of Electrical Engineers of Japan
An operation of Micro-grid for P.P.UPS with DGs	Yoshiaki Okui, Takuya Ota and Others	Institute of Electrical Engineers of Japan Power Engineering and Power Systems Engineering Joint Conference Papers PE-10-200 PSE-10-199	2010.09	The Institute of Electrical Engineers of Japan
A Study on Power Quality Maintenance of Independence Power Grid by Independent Control of PQ(Active/Reactive Power)	Yoshiaki Okui, Takuya Ota and Others	Institute of Electrical Engineers of Japan Power Systems Engineering Conference Papers PE-10-052 PSE-10-051	2010.09	The Institute of Electrical Engineers of Japan
Operation method of private generators in micro grid considering the photo voltaic system	Yoshiaki Okui, Takuya Ota and Others	Joint Conference of Japan Solar Energy Society and Japan Wind Energy Association 2010 Workshop Papers	2010.11	Japan Solar Energy Society Japan Wind Energy Association
Tie line power flow control using P.P.UPS system in micro grid introduce distributed generation	Yoshiaki Okui, Takuya Ota and Others	IEEJ Power Systems Engineering Conference PSE-11-011 Papers	2011.01	The Institute of Electrical Engineers of Japan
Trajectory Follow-up Control for XY Stage in Consideration of Suppression of Base Vibration	Ide Yuuji and Others	Journal of Institute of Electrical Engineers of Japan D, Vol. 131 No. 3	2011.03	The Institute of Electrical Engineers of Japan
Study of tie line constant control using UPS in micro grid system for introduces DGs	Yoshiaki Okui, Takuya Ota and Others	Institute of Electrical Engineers of Japan National Conference Papers 6-201	2011.03	The Institute of Electrical Engineers of Japan
